## **Mandatory Mask Requirement - City of Calgary By-Law**

---

The health and safety of our guests, tenants and staff is our priority. In accordance with the recently announced Face Coverings Bylaw 26M2020 that comes into effect on **Saturday, August 1<sup>st</sup>, 2020**, those entering the property must wear a facial covering that covers the nose, mouth and chin. This applies to all guests, contractors, tenants and staff, except for those that fall under the exemptions as outlined in the Face Coverings Bylaw 26M2020.

### **Signage**

Existing signage will be updated to indicate that all persons must wear a mask or face covering in all public areas of the building, as per the municipal bylaw.

### **QuadReal Masks or Face Covering Policy**

Masks or face covering will be required in public spaces including main floor, elevator lobbies, loading dock, parkade lobbies, and washrooms.

As previously advised, QuadReal employees and contractors will continue to wear masks and face covering while within common areas and tenant premises.

The City of Calgary is not expecting us to deny or refuse entry to those not wearing a mask. There will be a limited supply of individually wrapped masks available at the security desk for individuals that did not bring one to the property. Should there be issues with certain individuals, QuadReal will follow up with the respective tenant directly.

Kind Regards,
